

## Support for Individuals in Need

### How we help Individuals in Need

ACT provides funding to a number of registered charities throughout the UK who have become our “charity partners”. Our partners have been carefully selected for their expertise and, through them, we are able to reach many individuals to provide grants to assist across our 4 life themes; Health & Wellbeing, Independent Living at Home, Respite Care and Transition.

Please have a look at the list below to find details of ACT’s partner charities that you may like to contact for help:-
